

SIMPLE. SAFE. SECURE.™

Save Jobsite Labor. Increase Safety. Fully Tested.

<< Replace This

- > Eliminate jobsite welding
- > Improve safety
- > Save time and labor costs

<< With This THE PA-EX!

- > Simple installation; no special tools needed
- > No "pour-back strip" needed
- > Galvanized for long-lasting corrosion protection
- > Quick, positive visual inspections

FULLY TESTED PERFORMANCE!

During recent full scale testing the PA-EX exceeded the code-required 10,000 lbs of tensile capacity by a factor of 1.8 times (18,000 lbs)

What's in **YOUR** Panel?

- > Keep your team safe on the jobsite
- > Specify the Connect-EZ PA-EX on your next project
- > Quick, positive visual inspections
