

SIMPLE. SAFE. SECURE.™

Save Jobsite Labor. Increase Safety. Fully Tested.

<< Replace This

Trip and Fall **HAZARD!**

- > Costly forming and finishing labor
- > Water and trash collector

Reusable beveled cap available.

<< With This COLUMN SOCKET!

- > Eliminates "diamond box out" form work
- > Speeds steel erection

<< For This

- > Keep your crew safe on the jobsite
- > Save time and create a blemish-free concrete surface
- > Custom made for any size column
- > Exclusively OSHA-compliant #1926.755(A)(2)

What's in **YOUR** Floor?

- > Building owners are "demanding" column sockets
- > Ensures a quality floor finish at every column
